・Sweet Drop™ Rules

- Players control the whip cursor, get on top of the conveyor belt, then decorate the sweets as they come by.
- The game is made up of 3 stages, and there is no Game Over.
- When the 3 stages end, you will be awarded a total rank.

・Work together to complete the decorations.

Sweets can be decorated up to two times,
Each time they are decorated they will become more luxurious.
Work together and match your timing as you decorate.

•High Score Tips

You will get many more points for a second decoration than a first. The better you can work together, the more points you will earn.

•About warning Time

Each stage has a warning time period where the difficulty will temporarily increase. Keep your calm, don´t panic, and work together to get through it.
